

## Technical data sheet

### Mounting accessories and tools

#### Control panel installation

#### Identification

|          |                        |
|----------|------------------------|
| Type     | ADAPTER ST3/SEV-T      |
| Part No. | <a href="#">680574</a> |

#### Product version

|                   |    |
|-------------------|----|
| Datasheet version | 00 |
|-------------------|----|

#### Use/Application/Properties

|             |                                                                                                                                                                                                                    |
|-------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Properties  | <ul style="list-style-type: none"><li>The developed snap-fit socket with fully-protected wire connections and integrated snap connection enables a simple and quick installation in the control cabinet.</li></ul> |
| Description | <ul style="list-style-type: none"><li>Adapter</li></ul>                                                                                                                                                            |

#### Technical data

|               |          |
|---------------|----------|
| Voltage       | AC 250 V |
| Rated current | 16 A     |
| Pole number   | 2        |

#### Construction

|             |                                                                                                   |
|-------------|---------------------------------------------------------------------------------------------------|
| Description | Adapter ST3/SEV-T<br>Type 13/23, Adapter ST3/SEV Type 13, suitable for ST-3/S, ST-3/A and ST-3 /4 |
| Material    | PA                                                                                                |
| Color       | grey                                                                                              |

#### General

|                  |      |
|------------------|------|
| Weight/100 units | 6 kg |
|------------------|------|

#### United Kingdom: LÜTZE Ltd.
