

## Technical data sheet

### Suppression Technology · Valve Suppressors

---

#### Plug adapter for valve suppressors type A (18mm)

Protection device + LED

Mounting, plug seal not applicable

---

#### Identification

|          |                        |
|----------|------------------------|
| Type     | LCV-V8T-0867 DC 24V    |
| Part No. | <a href="#">700867</a> |

---

#### Product version

|                   |    |
|-------------------|----|
| Datasheet version | 00 |
|-------------------|----|

---

#### Technical data

|                     |                            |
|---------------------|----------------------------|
| Type of function    | Plug adapter               |
| Protection device   | Varistor + Capacitor + LED |
| Rated voltage $U_N$ | DC 24 V                    |
| Current Consumption | 4 mA                       |
| Cut-off peak        | $\leq 100$ V               |
| Holding Capacity    | 50 VA                      |

---

#### General

|                      |                                     |
|----------------------|-------------------------------------|
| Design               | V8T (A 18 mm)                       |
| Status indication    | LED green                           |
| Pole number          | 2                                   |
| Housing material     | PA                                  |
| Color of the housing | black                               |
| Degree of pollution  | 3                                   |
| Degree of protection | IP65                                |
| Mounting             | plug-in<br>Plug seal not applicable |
| Connection type      | Male contacts                       |

---
