

Technical data sheet

Mounting Accessories · Adapter rail module

RG020

Identification

Type	RG020 0100
Part-No.	380180M0001

Product version

Datasheet version	00
-------------------	----

Description

Module type	RG020
Description	RG020 adapter rail with incorporated gliding nut channel is intended for vertical mounting of components. RG adapter rails contain mounting holes and can thus be easily secured onto the mounting rails. Two rails of equal length make an RG020 set. Sliding nuts, sliding nut retainers and screws for installation should be ordered separately.

Technical data

Rail height	15 mm
Length	100 mm
