

## Technical data sheet · Module AirSTREAM

Standard module, pre-assembled from rail type  
MA and mounting bracket

|                       |                                                                                                                                                     |                                                                                                                                                                                                                                                                                                                                                    |
